Dodge Brothers vehicle owner:

Thank you for your effort in bringing Dodge Brothers or Graham vehicle to this year's Meet. Your generosity in sharing your vehicle with fellow club members as well as the visiting public adds to the fun and camaraderie of both the Meet and your Club.

The Dodge Brothers Club (DBC) Board of Directors requires that several important safety items be included in the registration process. Please complete the following insurance information and safety checklist. The basic safety check list is completely the responsibility of the vehicle owner.

**The DBC cannot assume responsibility for the safety of any vehicle, owner checked or not. DBC requires an on-board fire extinguisher and proof of insurance.**
